👤 PROFILE

Full-stack MERN developer with internship experience and 3 live projects deployed online. Implemented real-time chat, authentication, and community features in production apps. Improved app performance and delivered responsive, user-friendly experiences.

🎓 EDUCATION

Global Institute of Technology, Jaipur, B.Tech Computer Science & Engineering, 7.07 CGPA	2022 – 2025
Government Polytechnic, Dumka, Diploma Electrical Engineering	2019 – 2022

🔧 SKILLS

- **Frontend:** HTML, CSS, JavaScript, React, Redux
- **Backend:** Node.js, Express
- **Database:** MongoDB, MySQL
- **Languages:** Java, JavaScript
- **Tools:** Git, GitHub, Postman, Vercel, Render
- **Other:** REST APIs, JWT, WebSockets, Agile, OOP

📁 INTERNSHIP

Learn & Build Pvt Ltd, Full Stack Web Developer	07/2023 – 09/2023
<ul style="list-style-type: none">• Built responsive, user-friendly applications with React, Node.js, and MongoDB.• Converted design mockups into pixel-perfect UIs, improving accessibility and cross-device performance.• Optimized API calls and database queries, reducing load time by ~30%.	

📁 PROJECTS

- InnerLight** [🔗](#)
- Built a wellness platform where users can journal, post, and connect in a supportive community.
 - Implemented real-time chat, friend system, and interactive forum, fostering peer-to-peer engagement.
 - Deployed a responsive, secure web app used by early adopters to track emotions and support mental well-being.
- Do-Do** [🔗](#)
- Built and deployed a secure AI chatbot with JWT authentication and personalized chat threads.
 - Integrated OpenRouter's Mistral model for context-aware responses, improving query handling accuracy.
 - Designed MongoDB schema capable of handling 10K+ conversation entries without performance issues
- DevSnip** [🔗](#)
- DevSnip is a personal code snippet manager built with the MERN stack.
 - It allows developers to save, search, and manage reusable code snippets efficiently. Focused on clean UI and fast performance, it streamlines daily development workflows with filtering and snippet organization features

📄 PUBLICATIONS

- Sports Safari, International Journal of Engineering Trends and Applications (IJETA)** [🔗](#)
- “Sports Safari: An Online Sports Ground Booking Platform”, published in International Journal of Emerging Technology and Advanced Engineering (IJETA), 2023

🧠 PROBLEM SOLVING

- LeetCode** [🔗](#)
- Solved 50+ DSA problems on LeetCode, beating 52% of users globally.
